3. TECHNICAL DETAILS

A. CONDUCT OF EVENTS

For the 2011 season, all events and levels at all championship competitions (regional, sectional, U.S. Junior Championships, U.S. Championships) will be conducted in accordance with the international judging system (IJS).

B. AGE and TEST QUALIFICATIONS

All age and test requirements can be found in the U.S. Figure Skating Rulebook starting with Rule 3640 (senior singles) and on the U.S. Figure Skating web site at http://www.usfigureskating.org/New_Judging.asp.

C. TECHNICAL ELEMENTS

The well-balanced program charts for all levels and disciplines are posted on the U.S. Figure Skating web site at http://www.usfigureskating.org/New_Judging.asp?id=355. As referenced earlier in this announcement, U.S. Figure Skating will incorporate all changes made by the ISU with regard to well-balanced programs. Please refer to this web site often for continuous updates.

PLANNED PROGRAM CONTENT SHEET (Required component)

All competitors entering into the 2011 qualifying competition season are required as part of their online registration to submit a planned program content sheet (PPCS) detailing the elements in their program(s). You may update your PPCS at www.usfsaonline.org up to one week prior to the start of your competition. Failure to do so creates extra work for the officials working your competition. **You will not be allowed to receive your credential at registration until your PPCS is submitted.**

D. MUSIC

COMPETITON MUSIC INFORMATION (Required component of online registration)

U.S. Figure Skating requires all competitors to fully complete a competition music information form as part of the online registration process.

The following information is required for each piece of music used in the composition of the short program and free skate: composer, orchestra, duration of music, record label/number (optional but highly recommended if obtainable).

COMPACT DISCS (CDs)

For all qualifying events during the 2011 season, CDs are the only acceptable media. CDs must be:

- Clearly marked with name (last name, first name), event entered and the music time/ length.
- **Each CD must have only ONE (1) track on it. In the case of a short program and free program, two (2) separate discs must be used**. Any disc with more than one (1) track will NOT be accepted!
- Lead in time (time before the music begins) on CDs may not exceed two (2) seconds.

- **Due to compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs.**

- Each CD must be turned in - in a paper CD sleeve with a see through window (obtainable at any office supply store), also labeled with the skater's name and event. Standard hard plastic jewel cases or other CD holders are no longer acceptable. CDs that are not properly identified will NOT be accepted

Competition music must be turned in at the registration desk at the time of registration. At the Championships, competitors will not receive their credentials at registration until they turn in their music. The originals used at the regional championships will be forwarded to the sectional championships and the U.S. Junior Championships for those advancing. Those qualifying from the sectional championships will have their original music forwarded on to the U.S. Junior Championships/U.S. Championships.

Skaters receiving byes to the U.S. Championships must mail their competition music on CD no later than one (1) month (Dec. 22, 2010) prior to the start of the U.S. Championships to the following address: Pete Zurlinden

U.S. Championships Music Tech
2950 Los Olivos Lane
La Crescenta, CA 91214-2813

CDs are to be mailed in "CD Mailers", which can be obtained at the post office or any office supply store.

All competitors must have at least one (1) additional copy rinkside at practice sessions and during the actual competition event. The LOC will accept no responsibility for damage or loss. CDs not picked up by the end of the competition are not the responsibility of the LOC and will be discarded.
