B. AGE and TEST QUALIFICATIONS

All age and test requirements can be found in the U.S. Figure Skating Rulebook starting with Rule 3640 (senior singles) and on the U.S. Figure Skating web site at http://www.usfigureskating.org/New_Judging.asp.

You may update your PPCS at www.usfsaonline.org up to one week prior to the start of your competition. Failure to do so creates extra work for the officials working your competition. **You will not be allowed to receive your credential at registration until your PPCS is submitted.**

D. MUSIC

COMPETITION MUSIC INFORMATION (Required component of online registration)

U.S. Figure Skating requires all competitors to fully complete a competition music information form as part of the online registration process.

The following information is required for each piece of music used in the composition of the short program and free skate: composer, orchestra, duration of music, record label/number (optional but highly recommended if obtainable).

- Each CD must be turned in - in a paper CD sleeve with a see through window (obtainable at any office supply store), also labeled with the skater's name and event. Standard hard plastic jewel cases or other CD holders are no longer acceptable. CDs that are not properly identified will NOT be accepted

Competition music must be turned in at the registration desk at the time of registration. At the Championships, competitors will not receive their credentials at registration until they turn in their music. The originals used at the regional championships will be forwarded to the sectional championships and the U.S. Junior Championships for those advancing. Those qualifying from the sectional championships will have their original music forwarded on to the U.S. Junior Championships/U.S. Championships.

Skaters receiving byes to the U.S. Championships must mail their competition music on CD no later than one (1) month (Dec. 22, 2010) prior to the start of the U.S. Championships to the following address: Pete Zurlinden
