The Adult Silver Pair Test shall consist of a program skated rhythmically and in harmony with the music. The pair should show a moderate degree of pair unison with good form and flow, while fully utilizing the ice surface. The pair is expected to demonstrate the fundamentals of pair skating including synchronized connecting movements, mirror and/or shadow skating.

The following elements are required:

JUMPS:
____ One single jump, synchronized.
____ One jump combination or sequence, synchronized (half and single jumps). No Axel or multi-rotation jumps.

SPINS:
____ One pair spin with no change of position or change of foot (minimum 3 revolutions in position).
____ One solo spin with one change of position (minimum 4 revolutions total).

LIFTS: ____ ____ Two different lifts such as a waist loop, Lutz or waltz (no overheads).

DEATH or PIVOT SPIRAL:
____ One death-type spiral (hand hold, pivot and ladies edge are optional), or a pivot spiral in which the man attains a pivot position while the lady circles around him in spiral position.

STEPS:
____ Stroking in unison illustrating mirror and/or shadow skating, footwork, connecting moves such as turns in the field, spirals, pivots and basic dance steps.
____ One serpentine, circular or straight line step sequence or spiral sequence.

Extra elements may be added without penalty. Two required elements may be retried, if necessary.
