 - Serving as a team manager of a synchronized skating team or skating as a partner of a test candidate or competitor within the past year.

If I find myself in the situation where I have been asked to judge, or have been assigned to judge, an event where any personal, family or financial interest that could reasonably be thought, by myself or others, to give rise to a possible conflict of interest, or give the appearance of a possible conflict of interest, I will promptly report the possible conflict to the chief referee or test chair of the event(s) in question. Further, I will recuse myself from judging the event in question if, after disclosure, the chief referee or test chair agrees that a possible conflict, or the appearance of a possible conflict, does exist which precludes me from serving as a judge on the event.
