

"A very special thank you to the Friends of Figure Skating members for your tremendous support! Because of your assistance, we have the privilege of working with sports medicine specialists and USOC doctors. Their insights help us stay healthy, train smarter and skate stronger so we can reach our full potential. See you at the next Friends of Figure Skating breakfast!"

# The VALUE of FRIENDSHIP has never been so VALUABLE.

## ALL MEMBERS WILL RECEIVE...

A subscription to the critically acclaimed and award-winning SKATING magazine

You will receive 10 issues a year filled with features on your favorite skaters, U.S. Figure Skating news and beautiful photos.

The success of any sport relies on the enthusiasm and generosity of its fans. U.S. Figure Skating is fortunate to have friends whose selfless contributions of time, talent and treasure make figure skating a favorite sport among people of all ages.

Since 2001 the "Friends of Figure Skating" club has been home to our most consistent donors, whose simple act of making a charitable gift has yielded extraordinary benefits for our athletes. In fact, since its inception more than \$235,000 has been raised.

For every dollar given, 90 percent is allocated to U.S. Figure Skating programs that provide resources to our elite skaters on Team USA and help develop our grass roots programs. The remaining 10 percent will support the Memorial Fund, a program that annually awards over \$300,000 to members of U.S. Figure Skating.

Please join "Friends of Figure Skating" today and make a difference in the competitive lives of our athletes, and the tradition and promise of our sport. You can join online at [www.usfigureskating.org](http://www.usfigureskating.org), or simply complete the attached payment form.
