Pairs Committee - Rule Clarification – Pre-Juvenile Pairs

It has come to attention of the Pairs Committee that Rule 4090 is incorrectly stated in the new Rulebook (2007-08 version).

Rule 4090 (page 312)

The test qualifications should read that both partners must have passed the Preliminary pairs test and the Pre-Juvenile moves in the field test.

The note concerning competing at the lower level is correct and should remain as stated.

The age requirement should read under 14 years of age as of September 1 prior to the regional championship.

The duration of the free skating program should read 2:00 minutes +/- 10 seconds.
