

# **Technical Notification 10**

DATED: September 12, 2007

## **Ice Dancing**

### **1. All Dance events - Dance GOE**

1a. Dance GOE – in ISU Communication 1462, the ISU updated the GOE instructions on elements not skated either in the phrasing of the music, the character of the music or in the rhythm pattern of the music for original dance and free dance. These updated instructions apply to all levels of ice dancing. The prior ISU Communication 1459 is reflected in our rulebook.

1b. ISU Communication 1462 updated the calling instructions for original and free dance. These instructions will apply, if applicable, to all levels of ice dancing including, adult skating of original dance and free dance.

### **2. Adult Original Dance – Rulebook Correction on the Dance Spin**

2a. Rule 4463 B (1) – the required Dance Spin was inadvertently omitted from the list of elements in the adult original dance.

4463 B (1)(b)- shall read as follows:

One type of spin (spin or combination spin) but no more. The position of the skaters is optional. The spin must achieve a minimum of three (3) revolutions by each partner on one foot. If the skaters choose to execute a combination spin, they must each complete three (3) rotations on one foot before changing feet and each executing three (3) additional revolutions on the other foot. There should be no more than one-half rotation on two (2) feet while the change of foot is taking place.
