

## ***Technical Notification 39***

**DATED: November 6, 2008**

### **Pairs Skating - Free Skating event**

Following the 52<sup>nd</sup> ISU Congress this past June, ISU Communication 1504 was issued with several revisions for pair skating including the following item 7:

7. In Pair Free Skating the base value for all throw jumps, jump elements, lifts and twist lifts started in the second part of the program will be multiplied by a special factor of 1.1.

In accordance with the U.S. Figure Skating policy on IJS revisions, U.S. Figure Skating has adopted item 7 for all pair events juvenile through senior. The base value of all throw jumps, jump elements, lifts and twist lifts started in the second part of the program will be multiplied by a special factor of 1.1 for all juvenile through senior qualifying pair free skate events judged under the IJS.
