

Technical Notification #40

DATED: November 6, 2008

Pair Skating – Solo Spin Clarification for Juvenile and Intermediate Pairs Free Skate and Novice Pairs Short Program and Free Skate

The following shall clarify Technical Notification 34 as it pertains specifically to Pair Skating and the following events:

I. Juvenile Pairs Free Skate

A. Solo Spin in one position with or without change of foot

In the Juvenile Pairs free skate program, when executing a spin in one position, both partners must be in a basic position for 2 revolutions. If this is not achieved, the pair team will receive no higher than a Level 1, and no additional features will be awarded.

II. Intermediate Pairs Free Skate and Novice Pairs Short Program and Free Skate

A. Solo Spin in one position

In the Intermediate Pairs free skate and the Novice Pairs short program and free skate program, when executing a spin in one position, both partners must be in a basic position for 2 revolutions. If this is not achieved, the pair team will receive no level and no value.
