

GRADUATING SENIORS

This recognition is offered to high school graduating seniors from the Program Development Committee of U.S. Figure Skating.

The Graduating Seniors Program was developed to recognize skaters who will be graduating from high school and have maintained their training in figure skating. It is our hope that the schools will honor and recognize these individuals for lasting achievement in the sport of figure skating by awarding the skater the certificate that will be sent to the school from U.S. Figure Skating.

To qualify for this program, the skaters must be novice level (or above) in free skating, pairs, dance, synchronized team skating or theatre on ice.

A letter, along with a certificate of achievement, will be addressed to the school administrator and sent to the skater. The skater has the responsibility to deliver the letter and certificate to his/her school. Questions regarding this program are to be directed to Ian Macadam, Vice Chair for School Programs – iceskater@beld.net.
