This year, the Governing Council considered approximately 40 rule changes, which is down significantly from the previous season.

Notable decisions included the Governing Council approving a dues increase for the 2016-17 season. The board recommended, and the Governing Council approved, the change this year to give members and clubs more than a year to prepare for the increase.

The summary of changes from the original proposals are outlined below by item number. The specific language for each item will be published in the Combined Report of Action within 10 business days on the U.S. Figure Skating website at http://www.usfsa.org/content.asp?menu=leadership&id=443.

Approved/Adopted as Originally Published
