

FREE SKATE TRIAL JUDGING FORM ADULT PRE-BRONZE

Candidate's Name _____ Member # _____

Host Club _____ Date _____

Expectations for this test align with the pre-preliminary free skate test. The purpose of this test is to encourage beginning adult skaters to learn the fundamentals of free skating. No great deal of technical ability, carriage or flow is expected. The candidate must show knowledge of the elements, fairly good edges and some evidence of good form. As specified in rule 6561, the skater must successfully complete the following required elements, either as isolated elements or in a program (with or without music):

	REQUIRED ELEMENTS	EXECUTED	COMMENTS
JUMP ELEMENTS (2)	Two different half or allowable single jumps*		
SPINS (2)	Two spins of a different character one of which may be a two-foot spin** (minimum 3 revolutions each)		
STEPS	(if program is performed) Connecting steps throughout the program		

<p>Duration: 1:40 maximum (if a program is performed) Program duration in excess and/or inclusion of illegal element(s) (rule 6106), no deduction(s) but please note in 'COMMENTS'</p> <p>*Required jumps may be performed as solo jumps, or as part of jump combinations or sequences, but no jump element may count for more than one of the jump requirements. Allowable single jumps are toe loop, Salchow, loop and flip.</p> <p>**For this test only, a backward upright spin is considered different than a forward upright spin. Spins with a flying entry are not permitted. Both spins may change feet and/or positions. If a skater performs a sit spin or a camel spin, the position must be recognizable but does NOT need to achieve a basic position as defined in rule 6103 (A).</p> <p>- If performed as a program, extra elements may be added without penalty. - Two different elements may be reskated, if necessary.</p> <p>The entire test will be marked on a "pass" or "retry" basis only, and individual marks will not be awarded. The "pass" or "retry" will be arrived at by consideration of the composite of each element in relation to the whole.</p>	RESULTS (P/R) JIC overwrite TJ results in ink
