

Team Compulsory

FORMAT: The designated skater from each team will perform their chosen element in sequence on full ice with no music and will follow this format:

1. Minimum of three to four skaters on a team; each skater will do at least one required element
2. Teams will be directed to find a “base” for their team along the boards on the ice where they will stay for the remainder of the event
3. The announcer, referee or judge-in-charge will call the first element (e.g. jump or stop) to be performed
4. The team member performing the element will step forward and execute the skill, with the element first being performed by the skater on team one, then team two, then team three and so on
5. Once all the teams have had their skaters complete the element, the next element will be called
6. Judging is done with one mark for each element (skater) for total team points
