## ***Pattern Dances Rotations for Future Qualifying Season***

### **General Rules**

1. Each couple may provide their own music for each dance. See rule 8031 (B) for requirements.
2. The dances will be skated in the order listed.
3. The number of sequences of each dance will be as specified in rule 8075.
4. For **novice, intermediate and juvenile dance** for the skating order of the couples will be made in accordance with rules 2722, 2723 and 8074.
5. For **pre-juvenile dance**, the dances will be skated in the order listed, and the skating order will remain the same for each dance in the final round.

### **Selection of Novice Pattern Dances**

For each competition season, the chair of the Dance Development and Technical Committee will announce the pattern dances for the upcoming competitive season no later than 15 days after publication of the ISU Communication announcing the pattern dances for international dance competitions.
