

U.S. Figure Skating is excited to announce the first national training and education program to bring together competitive athletes, coaches, officials, and parents for a multi-day event focusing on skill development, performance development, character development, and pursuing excellence in the sport!

NATIONAL COACHES COLLEGE

Coaches from all disciplines are welcome to attend a three-day National Coaches College featuring classroom sessions, on-ice sessions for coaches only, and observation of athlete sessions from some of the top faculty in the U.S. and the world.

Access to Excellence will also include the U.S. Figure Skating National Technical Panel Training and Testing, held in parallel and in conjunction with the National Coaches College, providing an opportunity for coaches and officials to network and learn together. National Coaches College attendees can stay to observe the Athlete Acceleration Training Camp on Saturday, May 18th at no additional cost.

THE "FIGURE 8s" for COACHES -CORE FOCUS AREAS of ON and OFF-ICE SESSIONS
