OVERVIEW

About Hosting a U.S. Figure Skating Event

U.S. Figure Skating is pleased to provide the opportunity to submit a proposal to host a U.S. Figure Skating owned event. The information contained in this document and the accompanying attachments provides the minimum bid specifications for hosting this event, as well as essential information that will provide assistance in the development of a creative, comprehensive and competitive bid proposal.

The event outlined in this RFP is the property of U.S. Figure Skating. U.S. Figure Skating is the national governing body (NGB) for the sport of figure skating, as recognized by the U.S. Olympic and Paralympic Committee (USOPC). To maintain our certification as an NGB, U.S. Figure Skating is required to comply with the USOPC certification program. This means that U.S. Figure Skating must assure that all sanctioned events must follow the appropriate NGB standards.

As such, U.S. Figure Skating will oversee all aspects of the event and will, by contract, delegate certain aspects of the management of the competition to the local organizing committee (LOC).

The LOC is defined as a U.S. Figure Skating member club, convention and visitor’s bureau (CVB), sports commission, or any combination of these organizations. The LOC will serve as the local hosts of the competition under the guidance of U.S. Figure Skating.

Prospective LOCs may submit a bid to host this competition which displays their ability to meet the hosting requirements as outlined in this document. The bid review process will proceed as follows:

- **Request for Proposal (RFP) Release**: U.S. Figure Skating will release a RFP outlining all hosting requirements for the event.
• **Bid Development**: Prospective LOCs compile a bid displaying how they plan to carry out the hosting requirements of the event.

• **Bid Submission**: LOCs will submit their bids via EMS by the provided deadline as outlined in this document.

• **Bid Review**: A review committee comprised of members of the U.S. Figure Skating Competitions Committee and Events Department will review all submitted bids and evaluate bids to determine the best suited host.

• **Provisional Award**: A provisional award will be granted to the preferred LOC as selected by the review committee. Upon receipt of this provisional award, the preferred LOC will be required to:
  - Complete a provisional Agreement to Host.
  - Provide confirmed contracts of dates held at host facilities and key hotel properties.
  - For Championship events only: a final sanction must be granted by the U.S. Figure Skating Board of Directors (Rule 1121 of the U.S. Figure Skating Rulebook).

• **Final Award**: Upon completion of the provisional agreement and required contracts, a final award will be granted and will serve as the final sanctioning of the event after all information requested upon provisional award is received by U.S. Figure Skating. A public announcement about the host site will be made after the final award is issued.
  - Any LOC not chosen by the committee will be notified of the decision prior to a public announcement. This communication will include any applicable feedback and LOCs not selected may be approached about hosting in future seasons.

**About Synchro Sectionals**

The synchronized skating sectional championships (“Synchro Sectionals”) are comprised of three events: Eastern, Midwestern, and Pacific Coast (locations defined below). 15 levels of competition will be offered at each with 9 levels eligible to earn advancement to the U.S. Synchronized Skating Championships. The local organizing committee (LOC) is defined as a U.S. Figure Skating member club, convention and visitor’s bureau (CVB), sports commission, or any combination of these organizations. The LOC will serve as the local hosts of the qualifying competition under the direction of U.S. Figure Skating.

Following the selection of a host site, a team consisting of the U.S. Figure Skating Events Department, the LOC chair, and any designated co-chairs/committee chairs, chief referee and chair of the Competitions Committee will implement the terms of the Agreement to Host. The Agreement to Host will serve as the final hosting document and supersedes any previous communications including the bid information documents in hosting the competition. Any interpretation of the contract by the management team shall be considered final.

After being awarded as hosts of a competition in accordance with U.S. Figure Skating regulations, the LOC agrees to abide by the Agreement to Host, the latest U.S. Figure Skating Rulebook, including all costs and any changes/updates (including but not limited to the Agreement to Host) resulting from the most current Governing Council.

U.S. Figure Skating and the U.S. Center for SafeSport™ reserve the right to audit any competition within the National Qualifying Season for their compliance with these standards. LOCs that fail to implement one or more of these standards may lose their privilege of hosting a sanctioned event.
