

In the Learn to Skate USA[®] Portal, Program Directors can use the Program Management menu to access the Program/Instructor Compliance Report to verify compliance.

- 1. Log into Learn to Skate USA®.
- 2. Open the drop-down menu in the upper left column, click "Program Management," and select "Program/Instructor Compliance. A filterable report reflecting overall compliance status, as well as completion status for each compliance requirement, for all directors, assistant directors and instructors will appear.
