

EVENT: Adult Partnered Pattern Dance

General event parameters:

1. Adult partnered pattern dance competition events will consist of an initial round with one pattern dance and a final round with an additional pattern dance (as specified in the order below).
2. The dances to be skated depend upon the season in which the competition is held. Seasons run from July 1st of the listed year through June 30th of the following year. The couple will perform the pattern dances listed for their level, based upon the date of the competition. If the competition falls over two seasons (for example, June 30th – July 2nd), the dances will be selected based on the start date of the competition listed in the announcement.
3. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in between.
4. The number of sequences to be danced in adult partnered pattern dance is specified in Rule 8075 and indicated in parentheses in the table below.
5. Draw for the skating order of the competitors will be made in accordance with rule 8074.
6. Each couple may provide their own music for each dance. See rule 8031 (B) for requirements.
