

ATTENTION SOLO DANCE TECH OFFICIALS !!!!!!!!!!

Regarding Senior Rhythm Dance CHOREOGRAPHIC RHYTHM SEQUENCE (ChRS): It must begin with the skater coming to a full stop within two meters (6 feet) of the barrier on either side of the rink. There is a typo on page 39 of the SD Handbook that adds "on the red line." It does NOT need to begin on the red line (should be in the vicinity of the short axis/red line), so please delete those four words from your SD Handbook.

Regarding Free Dance CHOREOGRAPHIC CHARACTER STEP (ChSt): It must begin with the skater coming to a full stop within two meters (6 feet) of the barrier on either side of the rink. Page 38 of the Handbook adds "on the red line" which is incorrect. It does NOT need to begin on the red line (should be in the vicinity of the short axis/red line), so please delete those four words from your SD Handbook.
