

DOWNLOAD U.S. FIGURE SKATING FULL COMPLIANCE REPORT

This report lists all members identified as coaches, Learn to Skate USA instructors/directors, officials, team service personnel, club board members, test partners and mandatory athletes, stating their compliance **valid through date**, **Not Complete**, or not applicable (N/A/) for that category. Any other individuals who have started or completed the general compliance requirements are also included.

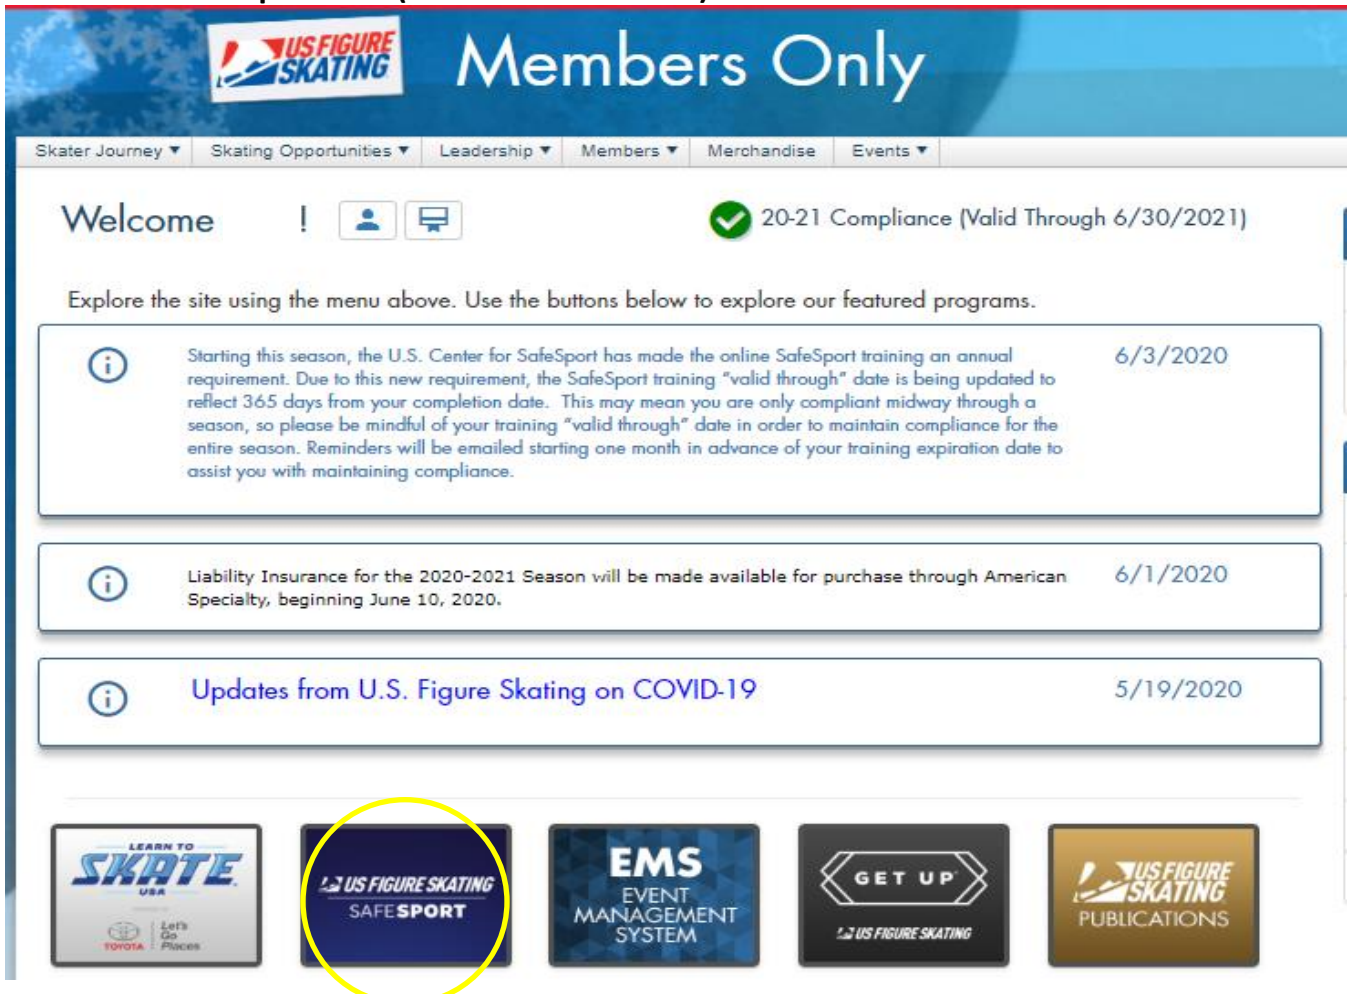

1. To gain access to your member account, go to <https://www.usfigureskating.org/> and click LOGIN in the upper right-hand corner.

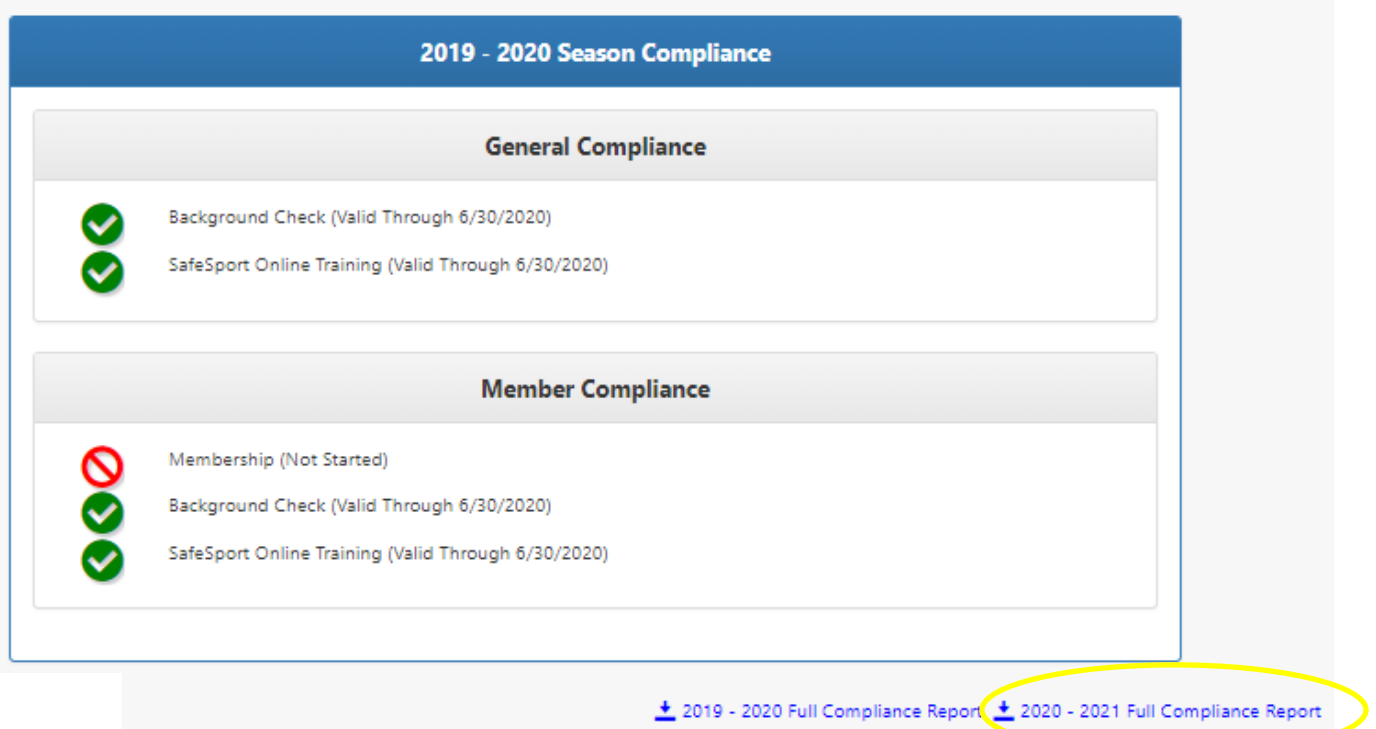

2. Log in to [Members Only](#) by entering your U.S. Figure Skating Member Number and Password. If you don't remember your password, you can request a reset by clicking Forgot Password/Request Password.

3. Click on the SafeSport icon (second from the left)

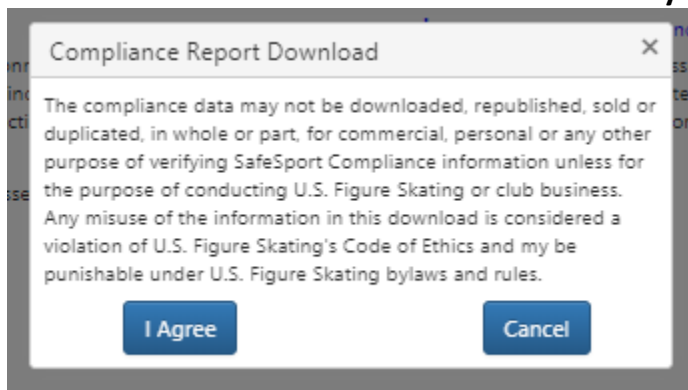

4. Under the Season Compliance Box, click to download the Full Compliance Report.

5. Click I Agree to access and download the report.

6. Click the PDF in the lower left-hand corner of your screen to open the report.

7. Once open you are able to check the compliance of any member required to complete at minimum, general SafeSport Compliance.

2020-2021 SafeSport Compliance Report

- ✓ This Compliance Report is searchable. Click **Ctrl & F** (or **Command & F** if on a Mac) to display a search box in the upper right corner. Type the full or partial name.
- ✓ The date and time displayed on the bottom left corner is the date the report was created and person is compliant as of that date. This report is updated daily.
- ✓ When an individual is compliant, a Digital Compliance Card will be available for display on their Members Only profile. If they are not on the list, displaying a compliance card is an acceptable substitute.

For questions related to the Full Compliance Report, please contact safesport@usfigureskating.org.
