

"I know how much it costs for these skaters to pursue their dreams. Now I know a lot of the skaters and I really enjoy following them."

LINDA OGAWA,
FRIEND - BLUE LEVEL

"The breakfast is the best way to get up close and personal with the skaters. They truly want to meet you and they remember us year after year. They stay late to sign autographs and we know they truly appreciate having the Friends there."

JOANNE JAMROSZ,
FRIEND - WHITE LEVEL

There's nothing better than going to a competition and feeling like we have friends who continue to come back and support us. It's so exciting to see their faces and compete and meet them face to face.

Since 2001, Friends of Figure Skating has provided U.S. Figure Skating athletes with invaluable financial support. Friends of Figure Skating is an annual Donation program that supports Team USA athletes by providing high performance training, medical support and development both on and off the ice.

All donations received through Friends of Figure Skating go to the athletes who make us love the sport of figure skating. You can support your favorite members of Team USA and thank them in person at exclusive Friends of Figure Skating events!

As a member, you will receive exclusive membership benefits, including early ticket purchase to U.S. Figure Skating events, SKATING magazine, Friends of Figure Skating gear and even a personal phone call from a Team USA skater!

DON'T JUST BE A FAN,
be a Friend!

The fans mean everything. They are the people who have your back on a good day or a bad day. They are the ones who can brighten your day by simply saying 'I'm a big fan, I love your work.' That support means the world to me!
