

ATTENTION: Clarification regarding Solo Pattern Dance event (p.4 of the 2023 SD Handbook). Two dances to be skated. For Bronze and Higher, the first dance listed (called Initial Round) and the second variation dance listed (called Final Round) will be skated at all Series events AND THE SERIES FINAL. For Preliminary and Pre-Bronze, the first dance listed (called Initial Round) and the second (non-variation) dance (called Final Round) will be skated at all Series events AND THE SERIES FINAL. This is new in 2023. Dances will not change from Series events to the Final.
