

Showcase Events

Showcase events are open to skaters in the Basic, Free Skate, limited beginner, preliminary and adult bronze levels. Groups will be divided by number of entries and ages if possible. Skaters with physical disabilities may register for standard track or Skate United track. Skaters with intellectual disabilities may register for Special Olympics events. Skaters must enter at the same level as their free skate event or highest test level of skater's in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher.

Show costumes are permitted if they do not touch or drag on the ice. Costuming and make up for showcase programs should enhance the feeling created by the performance and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories or anything else that may fall to the ice and be hazardous to the skaters are allowed. (a 0.1 deduction will be taken). Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for every 10 seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious loss of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice. The 6.0 judging system will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

Theatre On Ice

Theatre On Ice events may be offered at Compete USA competitions for all levels. Compete USA programs are choreographic exercises intended to introduce skaters to choreographic processes, themes and movements, as well as to begin to develop a movement vocabulary that skaters can utilize throughout their skating career.

While intended to model a traditional choreographic exercise, skaters are not required to wear black; teams may wear any color, as long as the team is uniform and matching.

Detailed information, including requirements, program lengths and elements, is available on the Theatre On Ice web page at usfigureskating.org/skate/skating-opportunities/theatreonice. For additional information, refer to the current Theatre On Ice Guidelines.
