

Technical Notification 320

Dated: Aug. 7, 2025

Re: Continued Active Status of Technical Notifications

The Technical Notifications have been reviewed, and each notification's status has been determined.

The following Technical Notifications dated and posted prior to Aug. 7, 2025, remain active until further notice:

294, 295, 296, 303, 306, 317, 318 and 319

All other Technical Notifications dated and posted prior to Aug. 7, 2025, have been incorporated into the rulebook or other technical documents, have been replaced by a new Technical Notification, or have become obsolete due to rule changes.
