RE: Returning U.S. Citizen Eligibility to Compete

Thank you for your interest in competing at a U.S. Figure Skating qualifying competition.

U.S. Citizens who have competed internationally for another ISU federation must make an application to the chair of the Competitions Committee by submitting an Application to Compete for Returning U.S. Citizens (form CC-02). This form is available online at www.usfigureskating.org (members only → skating journey → competing → qualifying).

I urge you to begin the application process as soon as possible. You **MAY NOT** register for the qualifying competition season prior to completing this process. An application shall not be considered complete until the chair of the Competitions Committee has received all required or subsequently requested documentation. If the application is approved, the Chair of the U.S. Figure Skating Competitions Committee will send the applicant a letter of permission. Please note that email is the preferred method for all communication and submission.

Online registration via EMS at <https://m.usfigureskating.org/ems/> is the only method for entry into the U.S. Figure Skating Qualifying Season.
